

ACS
Chemistry for Life®

The Younger Chemistry Education Scholars (YCES) and the Chemical Education Research
Committee (CERC) of the Division of Chemical Education

invite you to participate in the

Chemistry Education Research Undergraduate Poster Award Competition

to be held during the CHED poster session during the 257th American Chemical Society
meeting in Orlando, FL.

The top three presenters that demonstrate the highest caliber of research will be selected for this prestigious award and will be given a monetary gift of \$50 (best poster) or \$25 (second and third best) as well as the opportunity to write a blog post for the YCES blog (<http://www.divched.org/blogs/YCES>).

Winners from the 255th ACS Meeting:

Carrie Dobbs (Best Overall Poster)

Nicholas Bonde (Runner Up)

Mikayla DeLuca (Runner Up)

If you would like to participate in this competition, please indicate as such in the [1-question survey](#). Please make sure to discuss participation in this competition with your academic advisor before agreeing to participate. For multiple authors/presenters, we only need to hear from one of you. If we do not hear from you by Wednesday, March 27, 2019 you will not be entered in the competition. If you have any questions about this award, please feel free to contact Lisa Kendhammer (CERC@divched.org).
